Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: This applicant's attorney initiated telephonic interview discussed new amendments to the three independent claims 1, 6 and 13 after final rejection, and in preparation for filing an RCE. The attorney asked if the proposed amendments would be sufficient to overcome the cited reference and suggested allowing any reasonable examiner's amendments to make the claims allowable. The examiner responded that a new search may be needed to find references that may read on the proposed amendments before any decision can be made..
